HOW CAN SEEING A PPO DENTIST SAVE YOU MONEY?

When you visit one of the more than 16,000 PPO network offices in California*, you receive the highest level of benefits with the lowest out-of-pocket expenses. Delta Dental PPO dentists agree to provide treatment to PPO patients at moderate fees, which means your share of the bill (copayments/coinsurance and other fees you pay) will likely be lower. When you make your appointment, double check that your dentist is part of the PPO network.

The PPO plan also gives you the freedom to visit a dentist outside the network and still receive benefits.

**Or if you visit one of the 104,000 PPO dental offices nationwide.*
