Sofie Kleppner
NIH Policy

• ...develop Individual Development Plans (IDPs) for graduate students and postdoctoral researchers supported by NIH awards by October 2014.

• Encourages requirement of IDP

• Begin reporting in Oct. 2014

• No need to submit actual plans
What can OPA do?

• For postdocs
  – Provide support for developing plans
    • OPA and Career Centers
  – Provide template & guidance

• For faculty
  – Create auditable database to track plans
    • Automatic reminders
What can you do?

• Familiarize yourself with IDP
• Direct postdocs and faculty to OPA and Career Centers
Facilitating Postdoc Mentoring

• Postdoc/Faculty Mentoring Forms:
  - [http://postdocs.stanford.edu/faculty_mentors/Fillable_Initial_Meeting_Template_Form_V3.pdf](http://postdocs.stanford.edu/faculty_mentors/Fillable_Initial_Meeting_Template_Form_V3.pdf)
  - [http://postdocs.stanford.edu/faculty_mentors/Fillable_Annual_Meeting_Template_Form_V3.pdf](http://postdocs.stanford.edu/faculty_mentors/Fillable_Annual_Meeting_Template_Form_V3.pdf)

Both forms must be completed using Adobe software (completing in Apple Preview or other software creates viewing difficulty for reviewers – form will be returned to originator)
NSF-NIH Survey

Shannon Monahan
NSF-NIH Survey

Reminder

Deadline for data submission from departments/administrators is

Tuesday, February 25th, 2014
Insurance Covered by Outside Funding

Shannon Monahan
Insurance Covered by Outside Funding

• If the department/PI wants to request that the postdoc pay for insurance premiums from their outside fellowship (as opposed to Institutional funds), send the following documents to OPA (Shannon Monahan) for review and approval:
  – Official request from the dept/PI; should also include:
    • Prior research experience and minimum required funding
    • Dependents that will be joining the postdoc
  – Outside funding letter
Insurance Covered by Outside Funding

• Strongly recommend that this is done PRIOR to the start of appointment paperwork

• Outside funding letter must state that there are funds provided above and beyond the compensation portion for insurance costs

• After review, if approved, Shannon will contact Cecy to make the manual programming change in the ClearBenefits system
Postdoc Insurance Waivers

Shannon Monahan
Postdoc Insurance Waivers

• As of Jan 1, 2014, the standard for outside insurance plans: it must meet ACA minimums
  – Note: these are different than J-visa minimums

• As a result: fewer outside insurance plans are being accepted (because they do NOT meet ACA minimums)

• If a postdoc is waiving Stanford insurance, have Postdoc Benefits (Cecy Avila) and OPA (Shannon Monahan) review the plan before:
  – Purchasing AND
  – Being appointed
Postdoc Insurance Waivers

• Remember: the minimum compensation package includes both:
  – the required minimum salary (including raises)
  – AND insurance coverage

• The Offer Letter is the contract and includes the language that insurance coverage is provided to the postdoc
  – An email agreement between the PI and postdoc otherwise is not a part of this contract
Outstanding Tuition

Shannon Monahan
Outstanding Tuition

• Postdocs are in danger of being (or in some cases, have already been) sent to collections for outstanding tuition charges

• In ReportMart1/BI
  – Student Administration > Student Records > SR Postdocs > Outstanding Postdoc Tuition (PS_SR123)
Outstanding Tuition

- Outstanding Balance for Postdoctoral Fellows (through 1144): $103,921
